

ST GREGORY'S QUEANBEYAN NEWSLETTER

Week Eight, Term Three, 2015
1 September, 2015

Share the Spirit....

Dear Parents and Carers,

This week the St Gregory's community will come together to celebrate St Gregory's Feast Day and Father's Day. Our students always look forward to these events; it's these traditions that are so important to the fabric of our school. I have had quite a few enrolment interviews lately and one question that is asked is, "Why have you chosen St Gregory's?" The responses are usually comparable – "We've heard great things about the school; the values that are taught and reinforced; we want a Catholic Education for our child, and; we want our child and our family to be part of a special community spirit."

Our school and parish are named after St Gregory the Great. Gregory was born in Rome around 540, and died in 604. He was a doctor of the church and a pope. Gregory was chosen Pope by the unanimous consent of priests and people. He was a great teacher, lawyer, missionary and preacher, and had a huge influence on the English Church and many other churches. Gregory is known above all for his magnificent contributions to the Liturgy of the Mass. He is one of the four great Doctors of the Latin Church. (He is also the patron of teachers).

I was sitting in the office area at MacQuoid Street last Friday afternoon and I asked a few students what they loved about St Gregory's Day...

"Playing with my friends on the oval." (Jackson 2Gold)

"Celebrating St Gregory and the icy-pole." (Lakshita 3Gold)

"The whole day!" (Sarah 3Gold)

"Playing the games and going to Mass." (Brad 3Red)

"The sausages and ice block." (Leo 4Gold)

"The whole school getting together and the talent show." (Rose 5Gold)

"Well I've never had St Greg's Day but I reckon having the little kids at MacQuoid St would be pretty good." (William KBlue)

St Gregory's Feast Day will be celebrated this Thursday. We will start our day with Mass at St Raphael's Church at 9:40am. This day is one that our students really look forward to; it's a day of fun, food and fanfare! After Mass the students will walk back to MacQuoid St and get ready for the class items. All students will **depart** school from the MacQuoid St campus. Q City buses have been notified.

May peace be in your families,

Julie Wiley
Principal (Acting)

SEPTEMBER THEME: *Look On The Bright Side* – There are some people who always seem able to look on the bright side of things, no matter what is going on in their life. Then there are other people who seem to delight in looking at all the things that are wrong in the world and all the things that could go wrong for them. Things can go wrong and stuff can happen – even if you are a "good" person. How you deal with whatever life throws at you is what matters – and it's what will ultimately help you grow as a person.

KIDSMATTER: Mental health risk and protective factors - Children's mental health is influenced by many factors. A child's physical, social and emotional development, family circumstances, sense of belonging to school and access to support services can all influence a child's mental health. Protective factors decrease the likelihood of mental health difficulties. These include: positive connections, cultural identity, easy temperament, positive coping style and optimistic outlook on life.

FATHER'S DAY BREAKFAST: This Friday the teachers will cook for all the dads! We look forward to seeing the Kinder dads in their special ties. The staff will have food ready from 7:30am at MacQuoid Street campus. All students are required to be at their respective campus for morning assembly. If you haven't sent the RSVP slip back in, please do so ASAP. We look forward to serving breakfast to our dads.

R U OK?

R U OK? is coming to St Gregs in a bright yellow bus as part of their national tour. It's all about celebrating our family and friends who take the time to listen, to encourage and follow up. And they need our help to show Australia the power of a conversation! We're hosting an event with the crew, which is all about giving a big old fashioned thanks to the people who ask "R U OK?"

All Year 6 students will be involved in a morning session on Wednesday the 9th September. Parents and Carers are encouraged to attend to show support and also gain some valuable insight into the aim and purpose behind the R U OK? initiative. A small morning tea will be provided.

R U OK? is a national charity whose mission is to empower and inspire us all to ask "are you ok?" regularly and meaningfully of one another. Find out more here: <https://www.ruok.org.au>

LIBRARY NEWS

LOWE STREET BOOK PARADE

Last week our Lowe St children and community participated in a book parade to celebrate the Children's Book Council of Australia Book Week. It was wonderful to see the excitement of children, parents and staff. We saw a sea of very well known and not so familiar characters. The array and variety was amazing and the students interviewed spoke with confidence and pride. Thank you parents and carers for all the work you put into making the day special for your child. Book Week parade memories are often reflected upon with pleasure for many years.

COLOURING COMPETITION

Our Book Week creative art competition for K, Y1 & Y2 students closed last Friday. Prizes will now be awarded in each grade for the neatest, best entry and also for the most original and creative entry.

GREAT BOOK SWAP AT LOWE STREET

When: Wednesday 2nd September

Where: Lowe St Library (only Lowe St students will participate)

How much: Gold coin plus a good quality book to swap

Our school has registered to take part in The Great Book Swap for The Indigenous Literacy Foundation.

To participate, students need to bring along a gold coin donation as well as a good quality second hand or new book to swap. If it is not of good quality it may be that your child will bring it back home, not having found anyone with whom to swap. If you are in a position to donate more than 1 book it would be most helpful as it will give a larger range of choice for students.

Some children are disappointed if they cannot find just the book they wanted. Being happy just to make a donation to help someone else is an important part of the day. A priority is to help other students in other schools.

The Indigenous Literacy Foundation (ILF) works to promote and develop literacy throughout remote and regional Indigenous communities. It supplies carefully selected books to Indigenous communities in need across Australia. The foundation also works with communities to translate, write, publish and supply books in Indigenous languages. More information can be found at: <https://www.indigenoussliteracyfoundation.org.au/the-great-book-swap.html>

One reason for participating in this event is to make a difference to literacy levels in Indigenous communities through our donation. Another is to promote the excitement of reading and giving in our own students and in those in Indigenous communities.

PREMIER'S READING CHALLENGE

Thank you to all those who participated and especially the 143 students who successfully completed this years Challenge. We will draw the winner from all our names when the certificates arrive at school in Term 4. If you are thinking of doing the challenge again next year please save your user name and password somewhere safe. It really cuts down on administration time.
