Share the Spirit....

Dear Parents and Carers,

Last Tuesday evening the parents of children preparing for First Eucharist were invited to attend an information night held in our school hall. I don't think many were expecting to be offered a beverage on arrival and to find cheese and bread on the table. Not to mention a small take home gift. Eucharist is about community, it is about meeting with friends, it is about finding support and sustenance and it is about sharing a meal. Fr. Troy and those who planned the evening wanted this to be the emphasis.

Going to Mass is not about fulfilling an obligation. Sadly for many this is exactly how it feels. For many years my mum accompanied my dad to home Raiders games. Now my mum quite likes the game but for dad it is a passion. Going to the game meant being there at 10:30am to watch all 3 grades. It meant focussing on what was happening (not being interrupted by my mum for idle conversation) it meant being totally involved in what was happening. Needless to say for my mum it was more like an obligation. Sadly dad is no longer mobile enough to go to the games however he still watches all three grades and following the win on the weekend he has watched a replay, at last count, 3 times.

Some people feel that they don't get anything out of Mass – that somehow it should be entertaining. I will stick with my football analogy – the more you understand the intricacies of the game the more it means to you.

As Catholics we believe that Jesus is truly present in the Eucharist, it is not a symbol of the presence of Jesus it is Jesus here with us. This is not something that we can understand it is the gift of faith that makes it real for us. It is because I know that I will meet Jesus intimately every time I receive Eucharist that I go to Mass, not out of a feeling of obligation but a feeling of needing Jesus to be present within me. The way we build any relationship is to be in deep communication, in our time of prayer we need to listen more and speak less, Jesus is constantly inviting us to come to him in love.

"In the Eucharist, Christ is always renewing His gift of self, which He made on the Cross," the pope said. "His whole life is an act of total sharing of self out of love."

"It is so important to go to Mass on Sunday," Pope Francis spontaneously added to the text of his February 5 audience, "not just to pray, but to receive Communion. It is a beautiful thing to do," he said, for Sunday is "precisely the day of the resurrection of the Lord. That is why Sunday is so important to us."

Pope Francis

May you recognise the many blessings you receive each day,

Claire

Focus Value for May - "Making Good Choices"

From the Principal.....

PRAYERS: Please keep in your prayers Rita Pelle and her family. Rita is a Learning Support Assistant and also works in the parish, especially in organising sacraments. Rita's twin sister died on the weekend following a battle with cancer. Please keep the Watson family (Sophia - 3 Red and Charlie - 1 Red) in your prayers on the death of their Grandmother.

CONGRATULATIONS: To all who represented St Gregory's at the Northern Region Cross Country last Thursday in Crookwell. I understand that the weather conditions were as normal for Crookwell – cold and blowing a gale. My thanks to Matt Maloney, Brad Brown and Ben Mockler who accompanied the team. Special thanks to the parents who made the journey to support the students.

NAPLAN: The annual NAPLAN testing for Australian students in Years 3, 5, 7 and 9 began today. Our Year 3 and 5 students sat the Language Convention and Writing Tests (40 Minutes each) Tomorrow Year 3 will have a 45 minute and Year 5 a 50 minute Reading test. On Thursday it is the Numeracy Test. As you might imagine this can be a very stressful time for the students. As a school we do all we can to encourage them to do their best.

WHOLE SCHOOL ASSEMBLY: All are welcome to join us for our Whole School Assembly this Friday beginning at 12:30pm. Year 1 Lowe Street will be hosting our assembly and the focus will be "Counting our Blessings".

SCHOOL REGISTRATION: Next Tuesday 19th and Wednesday 20th May a panel of seven will be visiting the school for our registration visit. This registration visit occurs every five years. The panel will be looking to check that we are meeting all our compliance requirements, they will be looking at our teaching and learning programs, assessment records, various policies, timetables and visiting classrooms. The panel will be meeting with Fr. Troy, staff and students. On Tuesday afternoon the panel will also meet with parent representatives – School Community Council members and Class Contacts. The Registration process provides us with an opportunity to celebrate our successes and provides direction for our next 5 years of planning. The Panel Members are: Lyn Smith (Chair) CE (Catholic Education), Maree Williams (CE), Helen Casey (CE), Katrina McGrath (CE), Marylou Gorham (Acting Principal Murrumburrah), Geraldine Holland (Assistant Principal Temora) and Graham Pollard (Principal Amaroo).

PARENT CONTACTS: Many thanks to the parent who has volunteered to take on the role of class contact for 1 Blue. This means that 24 of our 26 classes now have a class contact – thank you! There are still calls for volunteers for 6Gold and 6White.

KAYE LOWE WORKSHOP: There was a great response to the workshop and the feedback from parents has been extremely positive. During the workshops Kaye referred to her website. Just to remind parents, the website is www.read4success.com.au. Click on the Advice For Parents tab and then you can go to Strategies for Struggling Readers.

KIDSMATTER: This week the brochure is about Social Development. Social development involves learning the values, knowledge and skills that enable children to relate to others effectively and to contribute in positive ways to family, school and the community. Developing social skills is a lifelong journey and it is never too late to develop skills so that our lives are more fulfilling and enjoyable.

PRIMARY COEDUCATION: In the past some families have decided to send their boys after Year 3 to single sex schools to complete their primary education. I respect without hesitation parents right to choose the type of education for their children. I also agree that for some boys it is better for them. However I don't believe that parents should feel that they need to move sons in order to confirm a place in high school, this is not a good reason to make a decision about schooling. I have taught in a single sex male school including primary school grades. Some of the things I think they missed out on include – book week parades, class assemblies, working with younger classes, interaction with girls, buddying with younger students, exercising authentic leadership, being the eldest students in a school. Please contact me if you would like to discuss further.

LIBRARY NEWS

PREMIER'S READING CHALLENGE

Congratulations to the following students who have finished this week Seth Marsden KBlue, Eva Rowley 2Blue, Blake Meadley 3Blue and Hayden Meadley 4Gold. We have a total of 254 students participating, 113 are already completing online recording and 33 have completed - a great start!! It is not too late to register. ACCELERATED READING WORD MILLIONAIRE

Congratulations to Rose Taylor 4White on joining the exclusive club.

SCHOOL COMMUNICATION

St Gregory's School communicates with parents by various means.

The **Newsletter** is uploaded to the school website on Tuesday each week (<http://stgregsps.nsw.edu.au/newsletter/>). It is also emailed to many families. If you are not receiving the newsletter by email and would like to, please contact Jane King on 6297 2221 or email jane.king@cg.catholic.edu.au or complete the tear off slip on the back of this newsletter.

We also have the **St Gregory's Skoolbag App**, which is a smart phone mobile app through which the school can communicate directly with iPhone and Android devices. The newsletter, notes, alerts, information, instant messages and reminders are updated regularly on Skoolbag. We encourage all families to download the App. To install, search for our school name "St Gregory's School Queanbeyan" in either the Apple App Store or Google Play Store.

Twitter @stgregsqbn enables the school to broadcast short messages about events happening during the day, updates on school excursions, camps and sporting events.

In addition, an **online calendar** listing school activities and special events is available on the school website. Calendar dates are also listed in the Important Events section on the front page of the newsletter each week.
