6th September, 2016

Dear Parents and Carers,

We request your permission for photographs of your child during school activities to be used for the purpose of educating students and promoting the school. If you give your permission, the school may publish photographs of your child without their name in a variety of ways. The publications could include, but are not limited to, school newsletters and the St Gregory’s Primary School and Catholic Education website and social media channels. If published, third parties would be able to view the photographs.

If you sign the attached form it means that you agree to the following:

- The school is able to publish photographs of your child in the ways mentioned above.
- Your child’s photograph may be reproduced either in colour or in black and white but will not include their name.
- If the school wishes to use a photograph of your child with their name, permission will be sought for such use.
- The school will not use your child’s photograph for any purpose other than for the education of students, or for the general promotion of St Gregory’s Primary School and Catholic Education Canberra-Goulburn.

If you agree to permit the school to publish photographs of your child in the manner detailed above, please complete the consent form and return it to your child’s classroom teacher by Tuesday the 13th of September. This consent, if signed, will remain effective until such time as you advise the school otherwise.
