Week Nine, Term Two, 2016

Share the Spirit....

Dear Parents and Carers,

The following information is provided to assist you in understanding some of the key facts about Catholic schools in Australia and the key issues facing Catholic education in the lead up to the Federal election.

Key facts about Catholic schools in Australia

- More than 765,000 students attend 1,731 Catholic schools across Australia.
- With 91,000 staff in those schools, Catholic education is a significant Australian employer.
- Catholic schools receive government funding, which covers 65 per cent of the cost of schooling in the ACT. Fees and private income cover the rest.
- Catholic schools are welcoming and inclusive communities, with the number of students with disability and Aboriginal and Torres Strait Islander students doubling over the past decade.
- Almost one-third of students in Catholic schools are non-Catholic.

Key issues for Catholic schools

1. Respect for religious freedom in Catholic schools.

Catholic schools, respecting the rights and freedoms of parents and carers to choose schooling for their children in the Catholic tradition, should continue to be free to form and instruct students in the Catholic faith and celebrate the faith as an integral and inseparable activity of the Catholic school.

2. Government funding that keeps pace with school costs.

Government policy to increase school funding at the rate of CPI from 2018 could see funding increases fail to keep pace with school costs. That could lead to even larger fee increases, affect school quality or lead to school closures.

3. Government funding that is needs-based.

School funding should reflect students' learning needs, with greater educational need attracting additional funding. Catholic schools' commitment to meeting the learning needs of all students requires appropriate government funding.

4. Government funding to support the construction of new Catholic schools.

More than 70 new Catholic schools are planned in the next five years to meet growing demand for school places. Without additional capital funding, these schools may not be built. Government funding is also needed to maintain and upgrade existing Catholic schools.

5. Respect for the autonomy of Catholic schools.

The ability of Catholic schools and systems to meet the local needs of a school community is one of their strengths. Government funding arrangements should respect the identity, integrity and autonomy of Catholic school and education systems.

May you always be aware of the mercy of God's love,

**Erin Taylor
Principal (Acting)**

From the Principal.....

PRAYERS: Please keep Kate and Garreth Wigg and families in your prayers following the death of Kate's Grandfather last week. We also pray for Brayden, Grace, Kobi and the Verran family, following the death of their Grandfather. Please keep Dejan Celeski (3 Gold) in our prayers.

FIRST EUCHARIST: First Eucharist will be celebrated in our Parish on Saturday, 25th & Sunday 26th June. Please pray for the children of our Parish as they prepare to receive the Eucharist for the first time. Lord Jesus, Bless the children preparing to receive Holy Communion for the first time. May that first time be the initial step towards a life-long love of the Eucharist, give them a hunger for this sacred food so that they turn to you for comfort, guidance, and wisdom as they grow in full discipleship.

CONGRATULATIONS: Congratulations to the following children who competed in the NSW Country State Championships for Basketball last week: Ellie and Talia DaSilva, Sienna and Alyssa Harajli, Giselle Arona, Rhiannon O'Brien

MESSAGE FROM CATHOLIC EDUCATION: It is the policy of the Catholic Education Office to provide a process for the review of all Principals' performance towards the end of each contract period. Ms Claire Frazer, St Gregory's Primary School, Queanbeyan will participate in this review process during July this year. Your assistance with the community consultation part of this process would be appreciated by completing a short survey by this **FRIDAY 24 June 2016**. Please click on the following link to complete the survey. <https://www.surveymonkey.com/r/8GQYJK7>

SEMESTER ONE REPORTS: On Wednesday, 22 June. Semester Reports will be sent home. This is an opportunity to celebrate your child's achievements as well as offer some advice to assist in further growth and improvement.

OPTIONAL PARENT TEACHER INTERVIEWS: Accompanying the school report will be a PTO (Parent Teacher Online) letter outlining the process for booking a Parent Teacher interview. Access to this online tool will be live from Thursday, 23 June. Located on the back of the School Report letter you will find your own login pin to book on-line. Please note, for parents needing to book separate appointment times, individual passcodes have been provided (if necessary). Students are welcome to attend these interviews if parents feel that would be beneficial. There is some wisdom particularly in the upper grades to have the students involved in discussions about their learning. Teachers are generally available in the mornings from 8:15am and after school till 5:00pm provided they do not have a duty or are not involved in meetings.

ADJUNCT PROFESSOR KAYE LOWE: Come along! It's not too late to RSVP and come along to the parent workshop **TONIGHT from 6.30pm-7.30pm** in the MacQuoid Street Library. The workshop is aimed at sharing effective literacy strategies for reading and writing. It is a great opportunity for Parents to engage in current literacy practices. Tea, coffee and light refreshments will be provided. Please RSVP to : erin.taylor@cg.catholic.edu.au or leave a message with Karen or Emma at the Lowe or MacQuoid Street office.

PARVO VIRUS: There has been a reported case of Parvo virus in the school. Parvovirus B19 infection is a mild rash illness that occurs most commonly in children. The ill child typically has a "slapped-cheek" rash on the face and a lacy red rash on the trunk and limbs. The child is not very ill, and the rash resolves in 7 to 10 days. NOTICEBOARD

The Musicorp program has been at St Gregorys now for a number of years with children learning a variety of instruments.

The instruments that are on offer are Keyboard, Acoustic guitar, bass guitar, percussion, woodwind and brass instruments. We do need more brass and woodwind students to form a school band as most students that are in the program are keyboard and guitar players.

Learning an instrument can be both fun and rewarding so if you wish your child to learn through our program please contact Musicorp on 1300 858 911 or contact the school's front office for a brochure.
