Dear Parents and Carers,

The Junior **Learn to Swim Program** begins on Monday 11<sup>th</sup> September and ends on Friday 22<sup>nd</sup> September, 2017 (Term 3, Weeks 9 and 10). The children will need to wear their sports uniform every day for the two weeks. They will need to bring their swimmers and a towel in a separate bag. All children are encouraged to apply sunscreen before they come to school. Swimming lesson times are as follows:

	10:00am – 10:30am 4 White	10:30am – 11:00am 4 Red	11:00am – 11:30am 3 Gold
11:30am – 12:00pm 4 Gold	12:30pm – 1:00pm 3 White	1:00pm – 1:30pm 3 Red	1:30 – 2:00 3 Blue

**Price structure:** \$100 per child – which will be included with your Term 3 school fees account.

**Lesson duration:** 30 minutes of Learn to Swim Program with water safety activities included.

**Class ratio:** 1 instructor to an average of 5 to 6 children per class.

**Instructors:** All instructors are Australian qualified with training in school groups. The aim is that all classes have the same instructors throughout the program.

**Daily routine:** It is expected that all children will walk to and from the pool with their class. We ask parents to assist with walking and with drying/dressing the children after the lessons, where possible. If you are able to assist at any time over the two weeks, please fill in the form below.

The children will be walking to and from the pool and will leave the school approximately 30 minutes before the scheduled lesson begins. We request that the children wear their swimming costume under their school uniform and bring a towel, goggles and underwear in a MARKED plastic bag. Please ensure that your child's name is clearly marked on all items of clothing, towel and bag. All children will also need to bring a warm top each day, regardless of the temperature, as they will be cool after their lessons. Children will not be permitted to use the canteen at the pool.

Please return Level Assessment and permission slip to your child's teacher by Tuesday 15<sup>th</sup> August, 2017.

As you can imagine, organising and supervising this many children, is quite difficult. As a consequence of this, and for safety, we will be adopting the following disciplinary procedures with those children who misbehave while away from the school, whether it occurs at the pool or on the walk. For the first offence the child will miss the following lesson and their parents will be notified. A repeat offence will cause that child to be withdrawn from the program. If your child is withdrawn there will be no refund as all costs have to be paid in advance for the two-week period. The children will also have these conditions explained to them prior to the first lesson. Your signature on the permission note indicates that you accept these conditions.

Thank you,

The Year 3 and 4 teachers.
