

THE GREAT ST GREGG'S BOOK FLOOD

It has been almost two years since our last book donation drive and since then our students have loved and adored all of the wonderful books we received. However, as our kids' love of reading grows, so does the need for more great books!

Nobody wants to see great books going to waste! If your avid little readers have any of the below *titles, authors or series* sitting on their shelves after being read, loved and moved on from, we would love nothing more than to take them off your hands.

Thank you in advance for your generosity.
Donations can be dropped at either school offices.
