

Year 6 – 2018 Commemorative Cookbook

Set out below is a recipe template for a proposed year 6 cookbook. The plan is to print a small booklet with as many recipes as we receive that 12 year olds love. The booklet should be available towards the end of the year at a minimal cost.

The final cost will be contingent upon how many recipes are received and therefore how big a print job the booklet will be, but the aim is to charge enough to cover printing costs with an leftover money donated to the school.

So please think of your family's favourite recipes! Recipes could be for snacks, light or main meals, side dishes, salads, desserts, cakes, slices, biscuits, anything really. Main meal recipes could be meat, seafood or vegetarian, noodles and pastas, pies, pasta bakes, curries etc. All recipes are welcome, no matter how simple or complex.

This is a parent rep organised publication and completely voluntary. However, the more recipes received the better the cookbook will be! So please submit as many recipes as you like by email to the Year 6 parent rep at fiona.matthews@westnet.com.au).

Please email your recipes by the end of Term 2 IN THE FORMAT BELOW IN AN ATTACHED WORD DOCUMENT. Recipes in this format are preferred as if all recipes are provided following the same template and in Word it will make the job of sorting and laying out the recipes in a consistent format much easier. Looking forward to some great recipes!
